

**DESCRIPTION**

The potting of the Baatonu people is heavy and direct, yet there are a number of intricacies involved. The studs on the vessels are placed so that they ease the transition from the smooth lip of the pot to the bottom. This artistic feature transforms a pot that seems rather ordinary.

**DETAILS**

- Culture: Baatonu people
- Geography: Benin
- Circa: 1920
- Size: 17.5"W x 17"H x 17.5"D
- Weight: Approximately 15LBS
